MEASURE
the impact

A unique and co-creative methodology for language learning. It develops literacy skills in a cohesive way to cover the four dimensions of language, following the principles of the competency-based curriculum. The platform's approach improves academic outcomes in reading fluency and comprehension, speaking, and writing.

Comprehensive Coverage Of Language Learning

Reading comprehension
Retrieval skills through engaging, curriculum-aligned texts.

Listening comprehension
Interactive audios train understanding in real contexts.

Speaking practice
AI-powered assessment boosts fluency, pronunciation, speaking skills.

Grammar and Use of English
Progressive practice aligned with real and official language levels.

Vocabulary
Boosted through levelled, syllabus-aligned themes.

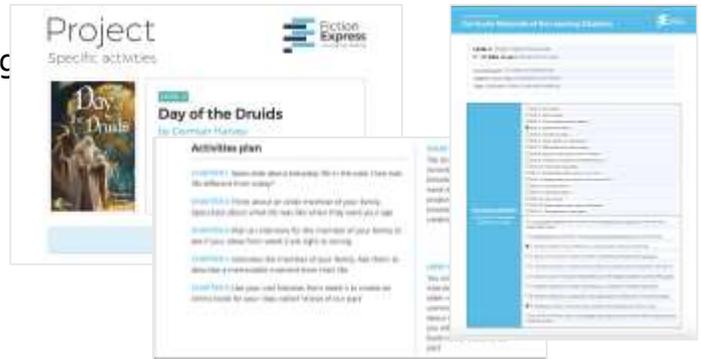

Writing practice
Structured writing task to enhance linguistic and literacy development at all levels.

Project-Based Learning

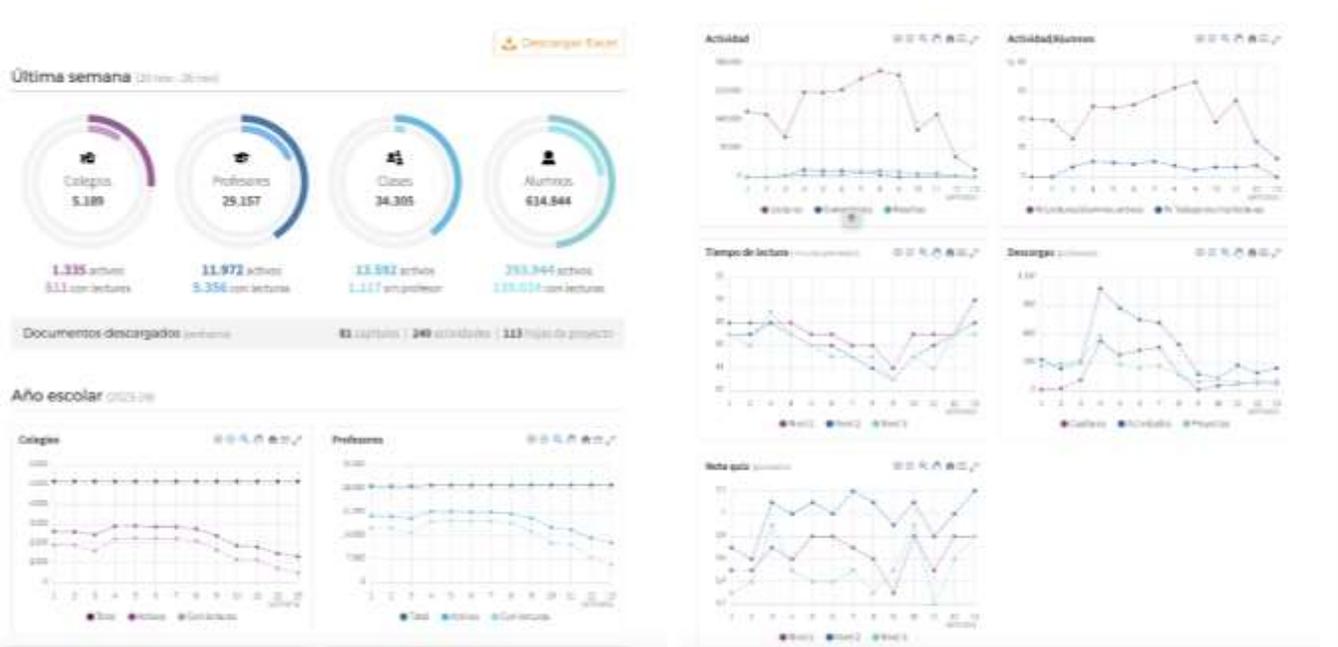

Fiction Express brings Project-Based Learning to life, turning reading into real-world challenges.

Through creative projects and collaboration, students apply literacy skills in meaningful, motivating ways.

Assessment of Outputs and Outcomes

Based on Big Data analysis and Machine Learning, incorporating GenAI elements to motivate students to read, improve internal efficiency, and support teachers in their work.

At Fiction Express, we track 14 key performance indicators that combine platform usage (Output) and learning impact (Outcome), offering a holistic view of student engagement and results.
