

L1 A2

*The Winter Strangers*

Author Victoria Williamson

HISTORICAL

It is the Ice Age. Tava and her brother Dupi live a peaceful existence in the forest with their tribe. Then, one day, strangers appear. They are different and stronger than their own people. They seem like monsters to Tava and Dupi. These new arrivals are Neanderthals. Is there room in the forest for these two types of human to live in harmony, or will there be war?

*The Case of the Blue Mask*

Author Saviour Pirotta

MYSTERY AND THRILLER

When Alex's mum gets a job as a costume designer on a film being shot in Malta, she takes him along. Alex is looking forward to a summer of snorkelling, sunbathing and perhaps meeting some celebrities. Then things get even more exciting when a crime is committed on location, and only Alex and his new Maltese friend, Rebecca, can solve the mystery...

*Forget Me - Not*

Author Kathryn James

FANTASY AND MYTHS

Oscar is used to being the centre of attention. He's fun and popular, so he is having a strange day. His friends are ignoring him. The girl he likes just stares straight through him. His family seem to have forgotten him. At first, he thought it was a joke, but he now thinks something terrible has happened. This is more than being cancelled. He has been deleted! But how? And what can he do about it?
